## ABOUT ME

---

3D Animator with 6+ years of experience across film, cinematic trailers, television, and previs. Specialized in keyframe animation, motion capture, and cinematic storytelling. Skilled at collaborating with directors, producers, FX, and lighting teams to create narrative-driven animation. Open to Remote & In-Studio

## SKILLS

---

### Animation:

- Keyframe Animation, Motion Capture, Cinematics, Previs, Postvis, Layout, Basic Rigging

### Software:

- Autodesk Maya, Unreal Engine, Blender, After Effects, Premiere Pro, Photoshop, Illustrator

## EXPERIENCE

---

### Epic Games — Cinematic Animator (Fortnite / Rocket League)

July 2022 – March 2026

- Animated character performances for Fortnite and Rocket League cinematic trailers in Unreal Engine.
- Worked with mocap data and keyframe animation to polish cinematic performances.
- Collaborated with directors, FX artists, lighting artists, and rigging teams to deliver finalized animation ready to ship.
- Created cinematic moments focusing on body mechanics, acting, and storytelling within real-time engine constraints.
- Worked on cinematics for IP collaborations with Star Wars, Looney Tunes and more.

### Halon Entertainment — Lead Animator

September 2021 – June 2022

- Lead Animator on Cocaine Bear and Atlas, supervising and delivering animation for previs sequences.
- Collaborated with directors and layout teams to block and refine cinematic sequences.

### ICON Creative — Character Animator

April 2021 – September 2021

- Character animator on Disney Junior series Alice's Wonderland Bakery.
- Produced keyframe animation for TV production pipeline.

### Halon Entertainment — Character Animator

February 2020 – April 2021

- Created previs and visualization animation for feature films and cinematic trailers.
- Collaborated with directors and layout teams to block and refine cinematic sequences.

### Brain Zoo Studios — Character Animator

January 2020 – February 2020

- Motion capture cleanup.

### Method Studios — Character Animator

September 2019 – November 2019

- Character animator on cinematic trailer for Dungeons & Dragons: Dark Alliance.
